Shoot and shoot to advance further! Wonderful attack by just two men!!

Death to the rebel army!

A military coup d'etat broke out! The almighty tank 'Metal Slug' was plundered. Marco and Tarma, special work corps of the regular army, with the mission to defeat the rebel army, advanced into the middle of the enemies!! Two players can participate simultaneously.

The last arms! Metal Slug attack!!

Retake Metal Slug!

Metal Slug is an almighty tank that can jump or squat. With its powerful cannon gun and vulcan gun which can shoot in any 360 angle, the tank can scatter the rebel army with no trouble! Make the best use of Metal Slug on the battlefield!!
