

RAZION makes stunning use of 1560 MEGS to blast out a super refined high-tech visual shooter with incredibly smooth arcade gameplay into the shooting world!!

In the space year 3067, 1000 years after the Dark Zeds ruled the universe and were defeated by the "Space Force", they are back! This time they have more power and the ability to destroy the whole galaxy! They are ruled by Razion, the Leader of the Dark Zeds.

Now you must stop him to avoid the end of the world! Pilot your space ship and destroy Razion.
