

*Drive Out the Invaders and Defeat the Empire!*

In 1920, The Kingdom of Choppu, a small country situated on the banks of the Black Sea, is invaded by the neighboring "Republic of Tekkamen" - aka The Iron Masks. The Choppuans have no army, no weapons. They are farmers who survive on the crops they cultivate. They are subjugated, and the ambitious Iron Masks begins a reign of terror, building huge arms factories on the once fertile land.

When all hope seems lost, a hero emerges. Piloting the mysterious ship "Kuro Gane Naru Mono" and accompanied by a robotic ally, this hero sets out to drive the Iron Masks from Choppu and the face of the earth. And that hero is you...
