

Now, The Portal To A New Punchfest Opens

Change it up!

Change Team Members As You Please, Even During Matches, with "Multi-Shift"!

Rounds Are History!

The Match Goes On Even If Your Buddies Bite the Pavement!

Matches are one-fall, 3-on-3 battles that go on until all team members are beaten! There's no fresh start like there was before when a character's knocked out. Each time a team member's defeated during a match, your maximum stock of Power Gauges increases by one. Should time run out, the match is decided by the remaining amount of life energy of the surviving members!!!

"Tactical Leader System!"

Decide Your Team's Destiny!

Choose 1 leader character out of the 3 characters you pick in Member Select! The leader character is different from other characters and you can use the especially mighty "Super Special Leader Move", more powerful than Super Special Moves.

This major meg cartridge is for use on the NEOGEO Multi-Video System.
