

**The Goketsuji clan appeared newly on NEOGEO!!
Who will survive to be joined in marriage with
the successor to the throne?**

The Goketsuji clan has transverse the centuries to be resurrected on NEOGEO!!

The familiar 11 Goketsuji characters and 4 new characters with strong personalities make an appearance.

The man and woman that shines in the seat of the mightiest will be selected as the spouse of the prince and the princess of this certain nation!

Challenge the hot battles where the wager is the royal wedding!!

The singing BGM and the background have also been intensely powered up!

The boss character, Princess Sissy, can be used in both the Story Mode and the VS Mode!!
