Play with Mauru!

Sure he's a giant rabbit monster thing, but you can handle it. After all, you've got a cool hat, an electric whip, and a goofy name. Or mabey you and your dog have an intimidating mech armed with stinky gas. Whatever the case is, pull back your floppy ears, padlock your dirt bike, stock up on frying pans and bombs, and button up your overcoat. If Mauru gets tired of playing, there's a 60 foot bowling ball waiting to take over the world. You should probably stop him.
